# A BILL

To direct the Federal Communications Commission to take certain actions to increase diversity of ownership in the broadcasting industry, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-  
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Expanding Broadcast  
5 Ownership Opportunities Act of 2021”.

6 **SEC. 2. FINDINGS.**

7       Congress finds the following:

1                         (1) One of the main missions of the Federal  
2                         Communications Commission, and a compelling gov-  
3                         ernmental interest, is to ensure that there is a diver-  
4                         sity of ownership and viewpoints in the broadcasting  
5                         industry.

6                         (2) The Commission should continue to collect  
7                         relevant data and conduct studies on such diversity,  
8                         adopt improvements to the data collection and stud-  
9                         ies, and make appropriate recommendations to Con-  
10                         gress on how to increase the number of minority-  
11                         and women-owned broadcast stations.

12                         (3) Data from 2017 shows that, of the nearly  
13                         1,700 full-power commercial broadcast television sta-  
14                         tions in the United States, less than 6 percent are  
15                         owned by women, and less than 3 percent are minor-  
16                         ity-owned. With respect to the nearly 5,500 full-  
17                         power commercial broadcast radio stations, women  
18                         owned approximately 7 percent of FM broadcast  
19                         radio stations, and minorities owned less than 3 per-  
20                         cent of such stations.

21                         (4) Women and minority ownership is 5 to 10  
22                         times higher in other industries than in the broad-  
23                         casting industry.

24                         (5) During the 17 years that a minority tax  
25                         certificate program was in place at the Commission

1        (from 1978 to 1995), the Commission issued 287  
2        certificates for radio stations and 40 certificates for  
3        television stations.

4 **SEC. 3. FCC REPORTS TO CONGRESS.**

5        (a) BIENNIAL REPORT CONTAINING RECOMMENDA-  
6 TIONS FOR INCREASING NUMBER OF MINORITY- AND  
7 WOMEN-OWNED BROADCAST STATIONS.—Not later than  
8 180 days after the date of the enactment of this Act, and  
9 not less frequently than every 2 years thereafter, the Com-  
10 mission shall submit to Congress a report containing rec-  
11 ommendations for how to increase the total number of  
12 broadcast stations that are owned or controlled by mem-  
13 bers of minority groups or women, or by both members  
14 of minority groups and women.

15        (b) BIENNIAL REPORT ON NUMBER OF MINORITY-  
16 AND WOMEN-OWNED BROADCAST STATIONS.—Not later  
17 than 180 days after the date of the enactment of this Act,  
18 and not less frequently than every 2 years thereafter, the  
19 Commission shall submit to Congress a report that states  
20 the total number of broadcast stations that are owned or  
21 controlled by members of minority groups or women, or  
22 by both members of minority groups and women.

6 if any, on such sale to which section 1033 is not applied  
7 shall nevertheless not be recognized, if the taxpayer so  
8 elects, to the extent that it is applied to reduce the basis

11 tion 167, remaining in the hands of the taxpayer imme-  
12 diately after the sale, or acquired in the same taxable year.

20       “(b) MINIMUM HOLDING PERIOD; CONTINUED MAN-  
21 AGEMENT.—If—

23       a taxpayer under this section with respect to a sale  
24       of property (determined without regard to this para-  
25       graph), and

7       there shall be no nonrecognition of gain or loss under this  
8       section to the taxpayer with respect to such sale, except  
9       that any gain or loss recognized by the taxpayer by reason  
10      of this subsection shall be taken into account as of the
